

Kasima Island

Kasima Islands, there are 2 of them are 20 minutes in a boat from Masse Staithe at Jinja. We usually visit island one. Over many year ladies in our church in Beccles have provided funding for food for the children and we have also so visited to preach there. The location of the church has changed. The food is kept in the school and distributed by the head teacher . Lots of photos , small but you can make them bigger to see
