

Lira

- We visited Chrisco Church in Lira for 2 days in May 2023 but cannot find any Photos.

One dear elderly lady , whose husband had been the pastor and founder of the church, was a real blessing to us. Her husband had been killed in a road accident with other pastors but she was not bitter but at peace in the Lord Jesus continuing His work.

She wondered what we would bring but testified that it was so good to hear the true gospel being preached. She was going to leave if that was no the case but stayed and we had such a good conversation on the second morning before the meeting.
